Meet Wish Kid Zackary

Zackary is an energetic 15-year-old from Sheboygan who loves being outside and playing sports, especially soccer.

Zackary was diagnosed with a neuromuscular disorder and his life has been consumed with therapy sessions, treatments & more. Despite all that he goes through he always lives life to the fullest!

When Zackary learned he qualified for a wish, he was so excited and ultimately wished to meet famous soccer player, Lionel Messi. He loves soccer and has always dreamed of playing with his idol. Plus, Zackary is always looking to learn new soccer techniques and he even plays the same field position as Lionel! Zackary and his family were able to travel to Miami for a week of learning more about professional soccer, getting one-on-one time with Lionel Messi, touring the city & more!

"His passion for soccer has helped him overcome his physical hurdles. He just loves the game, he loves to watch the game, he's completely immersed in it. He has drawn much of his inspiration from his idol, Lionel Messi. He's sported jerseys, had posters on his walls and has always dreamed of meeting him. We never dreamed it would actually happen! It was amazing to see and meet his favorite player. The entire experience leaves a lasting reminder to never give up and to continue to find a way to do the things you love for as long as you can!" – Zackary's family

Currently, there are more than 450 wishes pending – which means, right now there are hundreds of kids anxiously counting the days until their life-affirming wishes are granted. A wish is a turning point in a child's medical journey that opens the door to exciting possibilities. Please join us in support of the 2nd annual **Harrigan for Wishes Golf Outing** to help make the unknown feel less scary for local children like Zackary and their families. Your support will help renew their emotional strength, give them transformative joy and restore hope for a lifetime!
